- Delivery: Within 3 to 5 business days through the online gallery/cloud.
- Raw video data: Free handover on the shooting day, with a flat rate of €60 available later.
- Production plan and initial chat: Talking through all the essential details and processes (branding, designs, logos, music, and so on).

"STOP TALKING AND
JUST GET IT DONE!"

What you receive!

I have a laid-back and straightforward working relationship in a professional setting. I focus on finding solutions and achieving goals. Honestly, it doesn't matter to me "who takes care of the dishwasher". I'm willing to tackle any task and consider myself a problem solver. For me, it's all about the end result:

Your visual narrative!

you receive...

... Organized and designed **product images** and **videos** created for catalogs, websites, social media, marketing campaigns, and more.

... **Flexibility** in time and space

About Emskopp

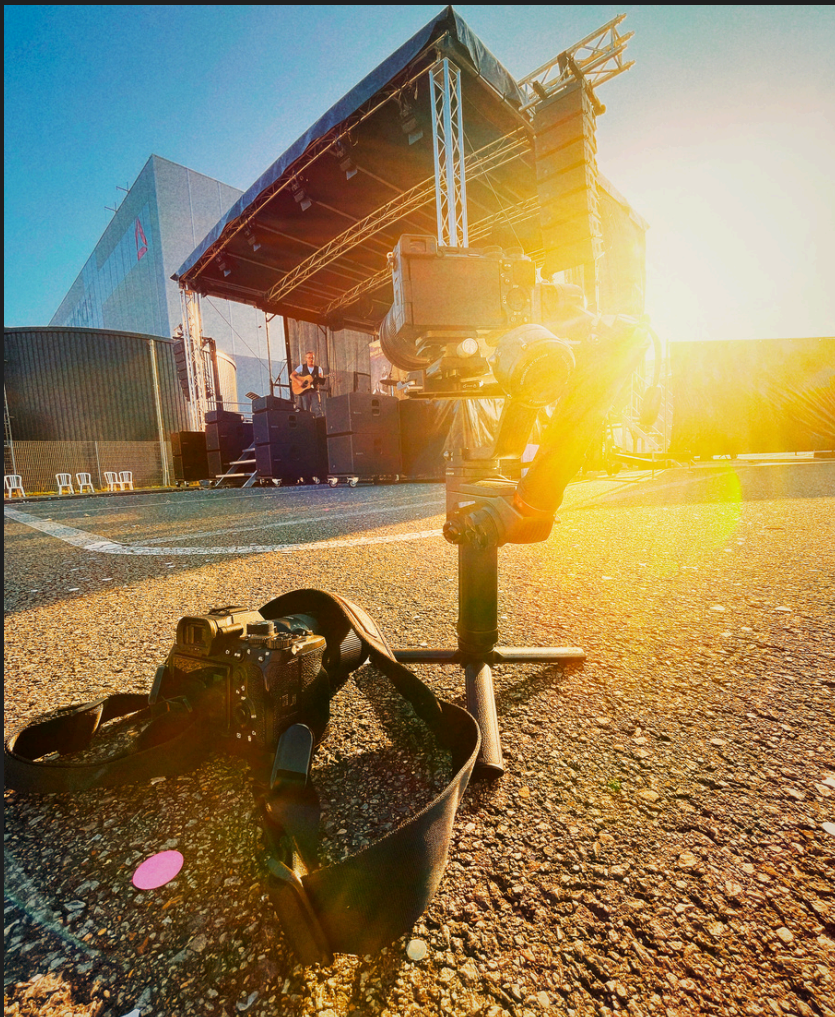

I have been successfully supporting companies and events in the visual and digital field as a content creator for over 6 years. With my pedagogical background as a special education teacher and over 20 years of experience in event technology, I know how to prepare content in an educational, didactic and visually appealing way in order to present it in the best possible way for the respective audience.
